The New Generation Lodge with the Old World Feel! 

Besides being committed to making your stay as comfortable and relaxing as possible, there is also a strong emphasis on providing you with the fishing information. Owners Julian & Nicky Kalka along with some of North America’s best Fishing Pro’s in the Country as guest instructors, have developed a reputation as one of North America’s leading Resorts in the industry today. With Multi-species expert, Steve Herbeck and the finest local guides part of the AML Pro Staff guide team, your week will begin with an orientation seminar complete with marked maps, demonstrations on productive patterns and techniques to help you get started catching fish. 

All guests and staff are treated so everyone feels welcome and at home. This is followed up with a Wednesday night gathering to discuss any new or changing patterns and techniques that have developed during your stay. There is always good old fashioned fishing talk going on every evening in the lodge and if you need more help, just ask and you will get it. Andy Myers Lodge is a stopping place for many of North Americas top Fishing Pros and guest fishing instructors. They are always willing to share some of their secrets and tips.
