**Andy Myers Lodge** is well known for its rustic, meticulously maintained lodge and cottages, beautiful setting and Excellent fishing. The camp is nestled away in a quiet location on a Bay named after us on Beautiful Eagle Lake, just outside Vermilion Bay, Ontario. Eagle Lake is famous for its Fishing and Scenic Beauty, which features 63,428 acres and more than 490 islands with many Bays, Channels, Weed Beds and Drop offs to explore. The average depth is 22' with a maximum depth of 110'. You are always never far from a Hot Spot. Eagle Lake is also unique in which it produces Trophy Fish of all five major species throughout the season that makes it the most dynamic, diverse and exciting Lakes to fish. It has World Record Muskies, Tasty Walleye, Feisty Smallmouth Bass, Tackle Busting Northern Pike and excellent cold water fishery of Lake Trout and Whitefish. If that wasn't enough to keep you busy, we have boats on or accessible to Corner, Clearwater, Buzzard, McGregor, Bottle Bay, Violet, Stewart, Canyon and the entire Indian Chain of lakes.

## WOLF HUNTS

An extremely rare trophy for most hunters and a challenging hunt for one of the smartest game animals in North America. Hunting is done in heated blinds/stands overlooking natural baits and covering ground calling/howling natural wolf sounds and predator calls (moose calf, deer fawn, wolf pup, fox pup, ravens, etc...) in remote areas and deer leases.

The Wolf population is currently at an all time high coinciding with a high deer population. **Now's the time to take advantage of a peak.** It is a challenging hunt with a high opportunity of success. Be prepared for long range shooting 100-400 yards.
